

A Season of Thankfulness and Celebration In a Pandemic

Prodigal Ministries is so grateful for how God has poured into the lives of our men and women over the years. He has been faithful to send just the right people at just the right time and He has done it again. We are pleased to announce our new Executive Director, Scott Bartelt, who we believe will lead Prodigal to a new level of ministry excellence. Jennifer is pleased to step aside and focus on her true passion, development and programs.

The year 2020 has been a challenge for all, yet we continue to be blessed by God's faithfulness to meet our needs. He provided in amazing ways:

- Creative and brave volunteers who kept coming*
- A small staff that masked up and kept the ministry running*
- Very generous donors who supported an unconventional fund raiser and kicked off our Capital Campaign in a big way.*
- And most importantly, our men and women who embraced the pandemic with patience and humor. A favorite line heard often, "We're accustomed to lock downs and rationed toilet paper." They set the example! And all were essential workers, blessed with jobs.*

Please continue to consider us at this time of year with your prayers, your time, and your support. The need is not seasonal . . . prisons release on an ongoing basis. Providing services to meet our client's physical, spiritual, and emotional needs never rests. Your donations provide shelter, food, clothing, life skill lessons, a way of life often overlooked and unavailable until now. And Jesus said, "truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me."

Blessings and Celebrations,

Prodigal Ministries
